

**It's time to plan your mission trip ~ why not come to Florida?!**

The Urban Mission Experience (UME) program boasts three separate dorm rooms with central heat/air, sleeps 42 people (bunks), laundry room ~ and yes, even WiFi! There is also a full kitchen for your use.

There are many service projects that your group would be connected to including:

- Clara White Mission**– feeding those in need
- The Sanctuary** – an after-school activity program and summer day camp
- Feeding NE Florida Food Bank** – sorting donated food
- Angelwood** – working with disabled children and adults
- DESC** – sorting or distributing free clothing
- Head Start** – pre-school program for low-income children
- Gleaning** – Whatever is in season at that time

**We would love to host your team this year.
